The stalls are clean surfaces as described below. The exhibitor must bring with him everything necessary for the design of the stand (partition walls, tables, shelves). Chairs are available. The objects brought along must not protrude beyond the stated standard measurements. Note: it is allowed to lean objects against the walls, but not to mount, attach or fix anything with glue. The stalls must be self-standing.

### STAND SIZES AND PARTICIPATION FEE

The rents are valid for the all days of the event and include all charges for electricity / marketing / public relations.

They are calculated as follows:

After completion of the registrations (deadline 30th of August 2022), the organizer will select the participating exhibitors and send them an acknowledgment or cancellation by 15th September 2022 at the latest. The organizer decides on admission in its own discretion and can reject applications without justification. The organizer sends a corresponding invoice for the due booth-rental by email to the exhibitor. The booking is binding only with the payment of the stand rental. By transferring the stand rental, the exhibitor agrees to all conditions of participation stated here.

### PAYMENT AND CANCELLATION TERMS

The stand fee has to be fully paid 01 October 2022 at the latest. In case of non-payment by the specified date, the organizer reserves the right to assign the stand to someone else.

In case of a cancellation up to four weeks before (6th October 2022), the organizer reserves 30% of the stand rental fee as a processing fee. For cancellations from 7th October 2022, the stand fee will no longer be refunded.

For optical reasons we ask you not to use banners or roll-ups! **If you are planning a stand concept with closed walls or also a closed back wall**, please let us know immediately after the commitment, so that we can place you accordingly meaningfully.

As an exhibitor, you undertake to equip a stand with the products registered with us and to keep them staffed during opening hours. A shared use of the rented stand space by third parties is only allowed after consultation with the organizer. Subletting of the allocated area is not permitted.

All materials used for decoration in the stand must be flame retardant according to DIN 4102 (fire protection class 1). The use of straw, fir green or similar materials as well as burning candles and any kind of open fire is prohibited. Likewise the purchase of food and drinks is not allowed.

The exhibitors undertake to leave the stand space as it was found, otherwise the resulting costs will be forwarded to them. This applies particularly to the possible damage to the stand surface (walls, foot floor), as well as for the waste disposal (packaging, leftovers etc.). In case of damage, the renter is obliged to inform the organizer without delay.

#### FAILURE OF THE EVENT

If the event can not take place due to force majeure or other important reasons not caused by the organizer, the organizer undertakes to reimburse the exhibitor for the participation fee. All other costs (such as travel expenses, production costs) are in any case borne by the exhibitor himself. Claims for damages against the organizer can not be asserted.
